SUPERINTENDENT'S MESSAGE

Dear Seniors:

Remember that formal schooling does not complete the job of educating the student. The opportunities which have been yours in McFarland High School have conditioned your minds to learn now from that master teacher--EXPERIENCE. This course will truly educate you.

May you go forth from these environs thoroughly matched with these times which demand the most of men. It is my belief that you will.

Sincerely,  
*H. W. Goodgion*
